Dear Parents:

We are excited to announce that we are now enrolling for the school year 2026-2027! Our new year will begin August 10, 2026, and end May 14, 2027.

We have had a wonderful time this past year at Sallisaw Christian Academy. This year has been full of exciting times, noisy times (recess on a rainy day! LOL), prayerful times (Chapel), stressful times (test day), sick days, icy days, and lots of learning times.

We are expecting next year to be better than this year because of the lessons we have learned as a startup school. We have lots of new ideas for learning and having fun times so that your child will go through life with lots of good memories from school days.

If you would like for your child to attend next year, we are opening enrollment for present students and their siblings first. After that we will open enrollment for others who want to attend. Our enrollment will be limited by space and staff availability.

We will be having a meeting within the next few weeks where we will share our vision, updated tuition rates, and any info you might need for next year.
